Dear Parents,

I am delighted to welcome all the children back after the summer holidays. I hope you all enjoyed some happy memorable times over the summer period and that you are all well rested. I am looking forward to seeing all your children. It is great that we can all return to school and it is especially great to be returning to our lovely refurbished building.

School will start at 8.30am next Monday 30th August 2021. The gates will open from 8.20am onwards. **Children are not permitted to congregate by the railings before this time due to Covid 19 regulations.** All Government / HSE guidelines have been adhered to for our re-opening.

There are seven entrances to the school and the plan attached to this will indicate where your child should enter and leave the school. Parents of junior infants may accompany their children to class for the first month. School will finish for junior infants at 11.00am for the first week, 1.10pm for senior infants. At 2.00pm children from 1st class to 6th class with siblings in those classes will leave school. School will finish for all other pupils at 2.10 pm.

We need a whole school community effort to carry this out. I ask for vigilance at all times when you are dropping/collecting your children at Scoil Fhursa as it is will be very busy there.

We ask that the children's uniforms and coats are labelled.
I am very grateful for your never ending co-operation and support to me and to the Scoil Fhursa school community. Here's to another good year!

Keep well and safe.
